Delian Asparouhov

Hometown: Salt Lake City, UT
Course: 6
Dorm: Maseeh
Affiliation: Phi Sigma Kappa

About Me: I was originally born in Bulgaria and did my schooling in California and Utah. I love the outdoors, especially rock-climbing, mountain-biking and backpacking. I am currently working on a startup with an MIT sophomore in the music industry.

Kira Kopacz

Hometown: Chatham, NJ
Course: 9
Dorm: Burton-Conner
Affiliation: Kappa Alpha Theta

About Me: I'm so excited to be a part of RingComm 2015 and can't wait to get started. In the meantime, I love taking 3 hour-long naps, singing show tunes, and ordering pumpkin pie fro-yo from Cafe 472. You can also find me hanging out with my Theta sisters, which usually includes me dancing like a fool.

Michael Flynn

Hometown: Kihei, HI
Course: 8, 18
Residence: East Campus
Affiliation: N/A

About Me: I'm active in the MIT Educational Studies Program and love teaching. Fun problems in physics and math are what keep me going at MIT, but it's really the other awesome undergrads here that make MIT such a great place. I can't wait to get to know our other RingComm members and to get to work on our ring!

Colleen Gabel

Hometown: Marblehead, MA
Course: 5
Dorm: Baker
Affiliation: Sigma Kappa

About Me: I grew up on the North Shore just outside of Boston. Having lived next to the ocean my whole life, I love swimming, fishing, and scuba diving. I am a member of Sigma Kappa, studying chemistry and UROPing at the Sloan School. I am very excited to be on RingComm!

Margo Dawes

Hometown: Frederick, MD

Course: 1 and 11

Dorm: East Campus

Affiliation: N/A

About Me: My real job is being a secret agent, but it's a secret, so shhh...don't tell anyone. If you can't find me at work in the Women's and Gender Studies Office or hovering around the architecture studios, I'm probably in New Orleans eating beignets. If I weren't on RingComm (and if I weren't busy being a secret agent) I would be a professional water slide tester. I also make really good guacamole.

Meghan Torrence

Hometown: Sewickley, PA

Course: 20

Dorm: Baker

Affiliation: Alpha Phi

About Me: I grew up on a horse farm outside of Pittsburgh, Pennsylvania. I love listening to music, the color pink, hockey, and am a member of the Women's Varsity Lightweight Crew team. I can't wait to help design the Brass Rat for the MIT Class of 2015!

John Queeney

Hometown: Cape Elizabeth, ME

Course: 2

Dorm: Simmons

Affiliation: Chi Phi

About Me: I'm from Maine and I love music, New England sports, and building stuff. This year has been a lot of fun and I'm really looking forward to next year, especially designing the Brass Rat for our class!

Congratulations, members!
We can't wait to see what
amazing design you will
come up with!
