## We are recruiting Associate Consultant for 2014

Bain & Company is a leading global management consulting firm with 50 offices in 32 countries. Since our founding in 1973, we have worked for over 5,000 clients in virtually every industry. Bain's Hong Kong, Shanghai and Beijing offices, primarily cover the Greater China region, but our consultants are often involved in cases across the world. If you are interested in:

- **Advising senior management** of Fortune 500 companies and leading Asian companies on top priority issues
- Developing expertise across **multiple industries**, from private equity to telecom, from consumer products to financial institutions
- Learning about a **broad range of strategic and operational topics**, from market entry to performance improvement, from mergers & acquisition to customer strategy and marketing

## Join Bain & Company!

We are looking for outstanding individuals who possess the following qualities:

- Must be a junior on track to graduate by June 2015
- Excellent **academic credentials** (all majors welcome)
- Strong **problem solving** skills, supplemented by solid **business sense**
- Demonstrated **leadership** on and outside campus
- A strong desire to effect **change** and outstanding **interpersonal** skills
- Fluency in spoken/written **Chinese** (Mandarin) and English

The **Associate Consultant Intern (ACI) program** offers the opportunity to work with Bain teams on actual cases to solve business problems in strategy, operations, or program implementation. The program duration will be approximately 8 weeks, which includes 3 days of in-office training
