# Analyst Workshops & Presentation

**Join Morgan Stanley Asia Bankers** in Boston this October. As one of the world's fastest growing regions, Asia's economic importance and influence is ever expanding. Join us to learn more about our development programs and the impressive springboard of training and networks a career in this industry provide.

**Analyst Workshops (Day):** During this intimate session, our bankers will lead participants through a series of interactive workshops based on technical deal scenarios. These educational workshops will run across our Investment Banking, Global Capital Markets and Sales & Trading Divisions. Have you ever wondered what bankers really do? This is your chance to find out while enhancing your technical skills.

**Analyst Presentation (Evening):** Our bankers will share insights from their own careers, the advantages and excitement of this region, our passion and proven track record for developing best in class Bankers and the immediate responsibility you'll receive to make a real difference. This session covers our structure, the role of analysts, recruitment process and program details and is followed by a substantial period of time to network.
