Marc Kastner and Subra Suresh, Deans, School of Science and School of Engineering
Invite you to a special Colloquium

A. Neil Pappalardo

Chairman and CEO, Medical Information Technology (Meditech)
MIT Class of 1964, EE - Life Member MIT corporation

"Reflections on an MIT Education"

With an introduction by President Susan Hockfield

After graduation Neil went on to be a pioneer of medical informatics as founder of Medical Information Technology (Meditech) a leading supplier of information system software for hospitals. He returns to MIT to discuss how his time as a student at the Institute shaped his journey towards personal and professional success.

Monday, April 28, 2008 - 4:30 pm - Building 6-120

Reception to follow in Green Center Atrium 6C-100CA

MIT School of Engineering   MIT School of Science
