

SCIENCE FOR THE BENEFIT OF HUMANITY

GRADUATE STUDIES AT THE ROCKEFELLER UNIVERSITY

- Ph.D. in Biological Science
- Ph.D. in Chemical Biology
- M.D.-Ph.D.
- SURF – Summer Undergraduate Research Fellowship

Presentation by: Emily Harms, Associate Dean

Date/Time: December 8, 2010, 12 p.m.

Location: 68-181

The Rockefeller University is a world-renowned center for research and graduate education in the biomedical sciences, chemistry and biophysics. The university's Ph.D. program offers rigorous training in the biomedical and physical sciences and close mentoring by faculty. Rockefeller also offers one of the nation's top M.D./Ph.D. programs with neighboring Memorial Sloan-Kettering Cancer Center and Weill Medical College of Cornell University. The graduate program is flexible and individualized depending on a student's needs, and provides full financial support, housing on the Upper East Side of Manhattan, and outstanding opportunities for intellectual growth.
