

Summer Internships!

The Massachusetts Life Sciences Center's Internship Challenge program helps place students in paid internships with companies across the state
Most internships will offer stipends of \$15/hour for up to 3 months!

"The internship provided the opportunity to experience what it's like to work professionally in the life sciences field. Nothing compares to taking knowledge from the classroom and putting it to use as a career." – Internship Challenge Intern

Eligibility Requirements:

- Community college students: must have or will complete(d) Associate's Degree or Certificate in 2010 or 2011
- Undergraduates of a 4-year institution: must have or will graduate(d) between the years 2010-2013
- Graduate students: must have or will receive(d) a Master's Degree after 2009 (PhD candidates are not eligible)
