

SYSTEMS BIOLOGY — CALL FOR POSTERS

\$1,000 PRIZE

(for best poster)

Submission Deadline April 11, 2011

In conjunction with:

2011 MIT Systems Biology Conference

May 2-3, 2011

<http://ilp.mit.edu/2011/bio>

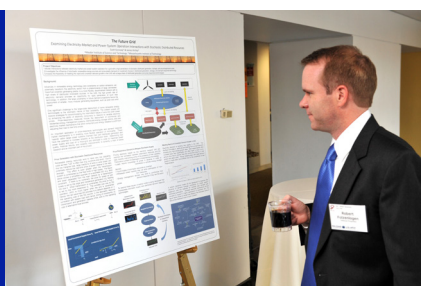

- **Computational Biology of Gene Expression**
- **Disease Modeling via Embryonic Stem Cells**
- **Systems Biology of Human Development**
- **Microscale Manipulation of Cells**
- **Genomic and Epigenomic Signatures**
- **Tools for Systems and Network Biology**

Hosted by the MIT Industrial Liaison Program, the 2011 MIT Systems Biology Conference features MIT faculty and speakers from the biopharma industry who will present their research and the challenges addressed.

You are invited to showcase your research at the following poster session:

POSTER SESSION
May 2nd
12 noon — 2:00 pm
(MIT Faculty Club)

About 100-150 attendees from the industry are expected to attend, providing a great opportunity to discuss your research. Selventa (www.selventa.com) is sponsoring a \$1,000 prize for the best poster, which will be announced before a 5:30 pm Networking Reception later that afternoon.

Deadline for submission: Monday, April 11, 2011

Please submit the following information to Sheryl Greenberg at email: greenberg@ilp.mit.edu

- **Title**
- **Authors**
- **MIT Faculty PI(s)**
- **Short Abstract**
- **Contact Information for the Authors and PI(s)**

Notification of accepted posters will be sent on Monday, April 18, 2011.

Easels will be provided by conference organizers. Please plan to set up your posters between 11:00 am and 12 noon on May 2nd, and join us at 5:30 for the announcement of the poster winner, and for the Networking Reception. Lunch will also be provided to all presenters.
