

Computer Science & Molecular Bio in your future?

Don't miss the Info Session for the new **CS-Bio** degree*

Friday, April 1
4:00 pm
Grier A, 34-401A

CS and Biology faculty will explain the program and answer questions.

*This is the only information session we will have this year for 6-7.

Refreshments, handouts & new 6-7 T shirts, (while supplies last).
