

# AWARDS FOR INVENTORS

The **Lemelson-MIT National Collegiate Student Prize Competition** is open to students nationwide who have inventions in one of two categories:

**The "Cure it!"  
Lemelson-MIT  
Student Prize**

for inventions that can improve healthcare.

**The "Use it!"  
Lemelson-MIT  
Student Prize**

for inventions that can improve consumer devices and tools.

**Winners receive:**

**\$15,000** for graduate student!

**\$10,000** to undergraduate teams!

A national media campaign!

Exposure to investment and business communities!

A trip to MIT for an award celebration in June 2014!

**Apply by: December 31, 2013**
