

**You've invented something really cool!
Can you get a Patent?
Can you create a company around it?**

Protect your invention and Turn it into a Startup!

**Thursday, Jan 15 12:30 – 2:00 pm
Room 3-133**

Meet Christopher Noble (Technology Licensing Officer) to learn how and when to file a patent; how your startup can spin the invention out from MIT ; how MIT's Technology Licensing Office can help you and what investors are looking for when they ask you:

“What about your IP?”.
