**Are you an Architect? .. A Writer?...a Photographer?
A Musician?... An Artist?.... Or a Software Developer?**

Come and Join Daniel Dardani (Technology Licensing Officer), to learn about:

Basics of Copyright and Software Intellectual Property

Tuesday, Jan 13 Noon – 1:45 pm

Room 3-133

Copyright law affects musicians, architects, photographers, and software developers alike and offers unique and fun protection for your works of authorship created while at MIT.
