Sat, June 27, 2015	10 AM - 3 PM	On-site Post-Test

Tuition is only **\$800** and includes:

- **54 hours of in-class instruction** by faculty, post-doctoral fellows, and MD/PhD students
- **Unlimited access to Blackboard MCAT review page for all the recorded lectures and instructor PowerPoints**, which means you needn't be on-site for all lectures!
- **Two official AAMC electronic practice exams**; this is unlike other MCAT test preparation courses
- **MCAT 2015 preparation materials supplied by**
