

C2B2-REU

Colorado Center for Biorefining and Bioproducts Research Experience for Undergraduates

The Colorado Center for Biorefining and Bioproducts (**C2B2**) is a research and education consortia that mobilizes student academic researchers and industry partners for the advancement of renewable bioenergy technologies.

Join C2B2 in the **Rocky Mountains** this summer for the ninth annual Research Experience for Undergraduates Program (C2B2/NSF-REU).

Research bioproducts, biochemicals and biorefining through our research thrusts:

- Feedstock Engineering, Plant Biotechnology and Crop Science
- Biochemical and Thermochemical Conversion
- Process and Product Engineering
- Lifecycle Assessment and Economic Viability

All Majors are eligible to apply!

Biology, Chemistry, Chemical & Biological Engineering, Crop Sciences, Economics, Mathematics, Mechanical Engineering, Physics & MORE!

Research fundamental scientific challenges of renewable energy.

Work with research mentors at one of four C2B2 sites:

- University of Colorado Boulder
- Colorado State University
- Colorado School of Mines
- National Renewable Energy Laboratory

Apply Now!
Submission Deadline is
1/31/16

Program Dates:
May 21-July 30, 2016

Benefits:

- \$4,300 Stipend
- \$2,000 Housing & Food Allowance
- \$600 Travel Allowance

An official
National Science
Foundation Site
Program
in Biorefining
and Biofuels
