

Careers in Law for STEM Students: A Panel

Thursday, January 14th
6:00-7:30pm, Room 3-333

Come for the pizza, stay for the career advice. At this panel, you will learn about career opportunities at the intersection of technology and law and the various career paths that panelists have taken to get from their STEM backgrounds into law. Panelists include patent lawyers, MIT alum, and other professionals who use their STEM expertise in the field of law.
