

The MIT Microbiome Club, MIT Center for Microbiome Informatics & Therapeutics, and Harvard Chan Student Microbiome Consortium cordially invite you to the inaugural

MIT-Harvard Symposium on Health & Ventures in the Microbiome

Bringing together young investigators, clinicians, and industries in microbiome science

Friday, April 8, 2016

12PM-5PM

**Bartos Theater, Wiesner Building E15, MIT
20 Ames St., Cambridge, MA 02142**

Join us for a half-day event exploring innovative research and novel ventures in the microbiome field, with the latest in basic science, translational research, public health, and emerging therapies. This symposium will feature:

- Opening and closing keynote talks
- Oral and poster presentations* by students, post-docs, and industry representatives
- Networking opportunities with industry partners
- Post-symposium social event

**awards will be given to outstanding presentations*

Keynote speakers:

Yvonne Huang, MD

Assistant Professor of Internal Medicine
Division of Pulmonary & Critical Care Medicine
University of Michigan, Ann Arbor

"Respiratory Microbiome and Severe Asthma"

Elaine Hsiao, PhD

Assistant Professor
Department of Integrative Biology and Physiology
University of California Los Angeles

"Microbial Regulation of Brain Development, Function, and Behavior"

REGISTRATION* & ABSTRACT SUBMISSION

Abstract Deadline

Friday, March 4, 2016
at 11:59 EST

.....

Registration Deadline

Friday, March 11, 2016
at 11:59 EST

**Registration is free and open to all. Lunch will be provided for registered attendees*
