

## Prehealth Events – Fall 2016

### Prehealth Live Event Series

#### Prehealth Interview Prep Workshop Using Improv Exercises

Monday, September 12, 3:00 – 4:00 p.m., Room 66-160

Has preparing for medical school interviews felt dull and boring? Let's mix things up and have some fun while preparing for medical school interviews! Come prepared to participate in interactive activities and most important, be prepared to have fun!

#### Harvard, Yale, Johns Hopkins & Columbia's School of Public Health Graduate Programs Information Session

Thursday, September 22, 12:00 -1:00 p.m., Room 4-163

Interested in a career in Public Health? Meet with representatives from Harvard, Yale, Johns Hopkins and Columbia's Graduate Schools of Public Health and learn about the many career pathways in public health. Representatives will also discuss the dual MD/MPH options.

#### Prehealth Orientation: Planning Your Career in Medicine & Health Professions (Target audience: Freshman and Sophomores)

Tuesday, September 27, 3:30-5:00 p.m., Room 56-114

Thinking about becoming a Doctor, Physician-Scientist, Dentist, Pharmaceutical Scientist or exploring another career in Healthcare? Join MIT's Prehealth Advising to begin mapping out your personal path to medical, dental, or other health profession schools. Representatives from the MIT Pre-Medical Society (MPS) and Minority Association of Pre-medical Students (MAPS) will be in attendance. \*Pizza will be available. First come, first served.\*

#### Prehealth Orientation: Pre-med & Pre-health Application Kickoff (Target audience: Juniors, Seniors, Graduate Students and Alumni)

Thursday, September 29, 3:30-5:00 p.m., Room 4-149

Do you intend to apply to Medical, Dental, or other Health Professions Schools? Join MIT's Prehealth Advising for an orientation into the various steps for submitting a competitive application for medical, dental, or other health profession schools and the many resources available through MIT Prehealth Advising. \*Pizza will be available. First come, first served.\*

#### Medical Military Scholarship Information Session

Tuesday, October 4, 12:00 -1:00 p.m., Room 4-163

Interested in becoming a Physician while being a part of the U.S. Army health care team and having 100% off your tuition covered? Please join us as we hear SGT Sim Sotith discuss the many benefits of being a Physician while serving as an officer in the U.S. Army Medical Department. \*Food will be available. First come, first served.\*

#### Group Advising (1st and 2nd year students)

Wednesday, October 12, 12:00 -1:00 p.m., Room 1-134

Are you a first or second year student who has questions for the prehealth office? Do you just want to connect with the prehealth office a little more? Lunch will be served and the prehealth staff will be there to chat. This is a relaxed question and answer session. Come for 5 minutes or the whole hour!

#### Group Advising (3rd and 4th year students)

Thursday, October 13, 12:00 -1:00 p.m., Room 34-301

Are you a third or fourth year student who has questions for the prehealth office? Do you just want to connect with the prehealth office a little more? Lunch will be served and the prehealth staff will be there to chat. This is a relaxed question and answer session. Come for 5 minutes or the whole hour!

## Prehealth Events – Fall 2016

### Prehealth Live Event Series (continued)

#### Prehealth COPA Overview

Tuesday, November 8, 3:00 -4:00 p.m., Room 56-114

Do you know what COPA stands for? If you are applying to medical school this year, you should! COPA will provide you with a letter to support your application to health professional schools. Come learn about the COPA process and how to ace the medical school application process.

#### Making the Most of your Internship, Research, and Shadow Experiences

Wednesday, November 16, 3:00 -4:00 p.m., Room 5-234

Will you need a recommendation when applying to medical, dental, or other health professions schools? Have an interest in seeking a mentor? Want more insight into a physician's or other health professional's career path? Join MIT's Prehealth Advising for an interactive workshop on how to maximize your Internship, Research, and Shadow Experiences to not only develop your research and clinical skills, but also enhance your network of professionals in health care and science, identify who and how to ask for a recommendation, and effectively articulate why this experience was meaningful.

#### Find Your Why: Med School Essay Brainstorming Workshop

Wednesday, December 7, 3:00 -4:00 p.m., Room 5-234

This workshop will help you to begin articulating your reason for Why Medicine? We'll review the elements of a successful application essay and offer tips and strategies to get you started. Learn how to present your experiences in writing and how to select which activities to include in your essay. Time will be provided in the workshop for participants to work on their own personal statements.

### Prehealth Webinar Event Series

#### Sending Update Letters (Webinar)

Thursday, October 6, 12:00-1:00 p.m., via WebEx

Have you recently received an award? Did your UROP findings get published? Did you participate in a research project overseas this summer? If you have additional information to share with schools, you should consider sending an update letter. This webinar will offer quick tips and examples of how to craft update letters for medical and other health professional programs.

#### Prehealth COPA Overview (Webinar)

Monday, November 7, 1:00-2:00 p.m., via WebEx

Do you know what COPA stands for? If you are applying to medical school this year, you should! COPA will provide you with a letter to support your application to health professional schools. Come learn about the process and how to ace the medical school application process.

#### Prehealth Developing and Requesting Letters of Recommendation (webinar)

Tuesday, November 29, 4:00-5:00 p.m., via WebEx

Learn how to successfully build connections with faculty, and get tips on how to request strong letters of recommendation for medical and health profession school applications.
