Hello Students and Advisors,

Health Career Connection (HCC) is excited to announce the **opening of our application for the 2017 Summer Internship Program!** HCC paid summer internships are available for college students and recent graduates.

If you, or someone you know, are interested in a career in the health field this is an excellent opportunity for you to **gain experience and mentorship** in public health, health administration/management, health policy/advocacy, and community health.

HCC interns are placed full-time with organizations such as hospitals, health systems, health policy institutes, health departments, community health centers, community based organizations, and non-profits to work on a meaningful project. Interns gain concrete, marketable skills and knowledge, and are **provided with leadership training and professional development**. Interns come away with in-demand skills, concrete life and career plans, connection to top graduate schools, mentors, and a network of supportive peers to help them throughout their journey.

The application period is open now and closes on December 7, 2016. All majors are welcome as long as you have a demonstrated interest in pursuing a career in health. Students from diverse or disadvantaged backgrounds are strongly encouraged to apply! Visit www.healthcareers.org for more information. **The online application can be found at: www.app.smarterselect.com/programs/34344-Health-Career-Connection**

To learn more about the HCC Summer Internship Program, our application process, and meet and ask questions of staff, please join us at an upcoming webinar! Please click a link below to register.

- [November 9, 2016 - 12- 1:00 pm PST](#)
- [November 17, 2016 - 5:30- 6:30 pm PST](#)
- [November 28, 2016 - 1:30 - 2:30 pm PST](#)
- [December 6, 2016 - 10:00- 11:00 am PST](#)
