

# PREHEALTH

INFO SESSION

10/5 12-1pm 66-144

Join the Executive Director of WashU's MD-PhD Program and learn about the benefits of completing your MD-PhD at WashU's premier center for clinical training and scientific research: Washington University School of Medicine. Students and alumni that are interested in medicine are encouraged to attend, network with WashU MD-PhD staff, and ask questions about WashU's unique offerings and their application requirements.
