

Next  
Generation of  
International Security  
Specialists

**CALL FOR APPLICATIONS**

[cisac.fsi.stanford.edu](http://cisac.fsi.stanford.edu)

## CISAC

is an interdisciplinary community of scholars dedicated to producing policy-relevant research on international security. It is devoted to teaching and training the next generation of security specialists to influence policymaking in international security and to foster a more informed public discussion.

CISAC welcomes applicants from academia (predoctoral or postdoctoral scholars) and mid-career professionals in law, military, government, science, public policy, or international organizations.

Apply at [cisac.fsi.stanford.edu/content/applying-cisac-fellowship](http://cisac.fsi.stanford.edu/content/applying-cisac-fellowship).

# Stanford | CISAC

Center for International  
Security and Cooperation
