

THE UNIVERSITY OF
CHICAGO | **GRAD**

INTERESTED IN GRADUATE SCHOOL?

LISTEN
TO THE
VOICELESS

The University of Chicago is offering talented individuals from traditionally underrepresented groups an expenses-paid opportunity to explore graduate education in the arts and sciences and select professional fields. Join us for a weekend of **workshops, informal socials, and discussions** about research with **world-renowned faculty** and **current graduate students**.

Get the inside scoop on submitting a competitive application to our graduate programs, and learn more about developing your own career.

For dates, deadline, a list of participating programs, and to apply, please visit
