Premed Workshop Series

Prehealth Orientation: Planning Your Career in Medicine & Health Professions

An overview of the premed path at MIT and the many opportunities that will benefit students considering medical school in the future.

- Wednesday, September 26th | 6:00 – 7:30 pm | Stratton Center: W20-201

Finding the Right UROP

Join Sarah Nelson, UROP Staff Associate, for an overview on how to find a UROP and hear from current premed students discuss their experiences UROP'ing.

- Wednesday, October 10th | 4:00 – 5:30 pm | Stratton Center: W20 – 303

American Association of Medical Colleges (AAMC) Competencies Overview

A workshop on how premed students can begin developing the competencies medical schools use to determine the most qualified applicants.

- Wednesday, October 17th | 12:00 – 1:00 pm | 5-234

Finding a Physician Mentor & Shadowing Opportunities

A workshop for students seeking a physician mentor and/or physician shadowing opportunities.

- Wednesday, October 24th | 12:00 – 1:00 pm | Stratton Center: W20-301

Prehealth & SPXCE Hang Out Session

Stop by **Prehealth Drop-Ins** in the SPXCE (pronounced “space”) to ask any of your questions related to the premed path. All undergraduates and graduate students are welcome!

- Wednesday, October 24th | 2:00 – 4:00 pm | W31-110

Group Advising: Exploring Prehealth

An opportunity for any students exploring a career in medicine to meet with prehealth advisors and ask questions about prerequisites, physician shadowing, application timelines, and more.

- Monday, November 14th | 12:00-1:00 | Location: TBD
