

FRANKEL CARDIOVASCULAR CENTER
MICHIGAN MEDICINE

SUMMER UNDERGRADUATE RESEARCH FELLOWSHIP

The Samuel and Jean Frankel Cardiovascular Center is pleased to offer a 10 week undergraduate summer fellowship program to support undergraduate students who are interested in cardiovascular research. Each student will be matched, based on his or her interests, to a laboratory that is led by a faculty member of the University of Michigan Frankel Cardiovascular Center.

This collection of laboratories is involved in nationally recognized research in topics such as atherosclerosis, genetic cardiomyopathies, blood clotting disorders, cardiac arrhythmias, vascular biology, and heart failure.

APPLICATIONS OPEN DECEMBER 2018
