Discover how you can make an impact.

Join Success Academy for an insightful discussion on how education is changing in the U.S., how STEM and Humanities skills and backgrounds can translate to roles in the education space, and how new graduates can make an impact and shape a new-generation classroom experience for our students.

This will be a fun networking event to connect with students and educators from the Boston area, enjoy food and drinks, and learn more about Success Academy from current leaders and talent team members. All academic backgrounds are welcome - we have opportunities in History, English, STEM, and the Arts!

WHEN

Thursday, April 25, 2019
6:00 PM – 8:00 PM

WHERE

Rosa Mexicano
155 Seaport Boulevard
Boston, MA 02210
