THE
SCIENCE
POLICY
INITIATIVE
Massachusetts Institute of Technology

Want to learn about science and technology policy but don't have time for a semester-long class?

NSF · NIH National Institutes of Health · DARPA · DEPARTMENT OF ENERGY UNITED STATES OF AMERICA · NASA

MIT's Science Policy Initiative is hosting its annual IAP Science Policy Bootcamp this January 27-31.

Learn about how the government chooses what research to fund and how your research influences the government's decisions!

For more information and how to apply, visit spi.mit.edu/bootcamp
