

CELL AG:

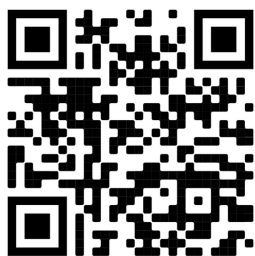

MILK, EGGS, MEATS + MORE WITHOUT ANIMAL AGRICULTURE

Interface with the bioengineering, biology, and material engineering of cellular agriculture: the manufacture of animal products from cell cultures.

Join in on any combination of our offerings through IAP 2021:

- **Cell Ag Crash Course** a one day overview of cell ag [1/4/21, 1-3 PM EST]
- **Intro to Cell Ag** an in-depth dive plus project [MW 1-2:30 PM EST each week]
- **Boston-Area Guest Speaker Seminar Series** [F 1-2 PM EST each week]
