

GLOBAL VACCINE APARTHEID

WHY THE WORLD NEEDS BILLIONS MORE
VACCINES, AND HOW TO GET THEM

A CONVERSATION WITH ACHAL PRABHALA

[MIT.ZOOM.US/J/99097833077](https://mit.zoom.us/j/99097833077)

MAY 19TH 2021, 12:30PM

Achal Prabhala is a public health activist based in Bangalore, India, who works on increasing global access to Covid-19 vaccines. He coordinates the accessIBSA project, which campaigns for access to medicines in India, Brazil and South Africa, and is a fellow of the Shuttleworth Foundation.

PRESENTED BY THE BIOLOGY DIVERSITY COMMUNITY AND RISE

THANKS IN PART TO THE MIT SCHOOL OF SCIENCE QOL GRANT
