

SESSION 5:

BUILDING PATHWAYS TOWARDS TECH FOR GOOD CAREERS

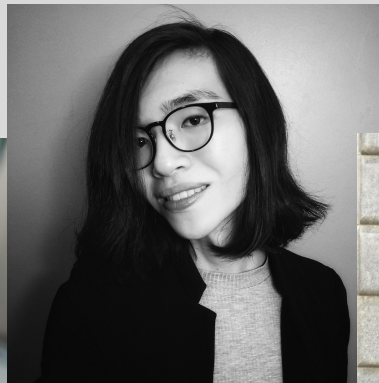

THURSDAY, AUGUST 10TH, 12-1PM ET:
Join us as we forge paths forward!

Serena Booth

Milo Phillips-Brown

Tan Zhi Xuan

Willie Boag

As we near the end of the Summer Series, we will be putting everything together and thinking about making careers in the tech for good/public interest technology field. MIT PhD students Serena Booth, Tan Zhi Xuan, and Willie Boag and Oxford Professor Milo Phillips-Brown will join us to discuss their trajectories, answer our questions, and support folx looking to enter this worthwhile arena. Bring your thoughts and wonderings and join us as we stretch into tech for good career pathways!
