What is MBG?

- The MIT Biotech Group serves as MIT's premier connection to Boston's booming Biotech industry.
-
- As the largest life sciences focused organization on campus, we currently have over 1,800 individuals who regularly attend our:
 - Seminar series
 - Networking nights
 - Industry site visits
 - Spring career fair
 - And much more!

Leadership

28 Core leadership team members

~80 Associate MBG members

10 Departments & programs

Programming

50 Events & projects

30+ Invited speakers

900+ Participants & attendees

Opportunities

2 Biotech-focused UROP mixers

56 Company partners

200+ Job openings shared

Initiatives

(i.e. how our group is structured)

Industry Initiative

Mission: *Facilitate meaningful interactions with professionals in pharma and biotech through mentorship, networking, and seminars*

(AI in) Drug Development Seminar

Biologics

Cell and Gene Therapy

Condensates

AI in drug development

Bz Development - Consulting

Nanocourses

Site visits

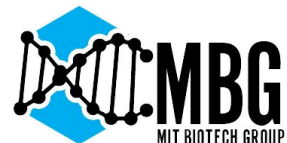

Career Panels

Alumni Mentorship Program

100+ mentor/mentee pairs

Professional Dev

Food!

Entrepreneurship Initiative

Mission: *Explore biotech company formation including scientific founding, venture creation & investing*

Networking Night

VC Dinner Series

Funded dinners in Cambridge with VC associates

Open Problems in Biotech Seminar Series

Conversations with founders about technical areas of interest and emerging problems in the field

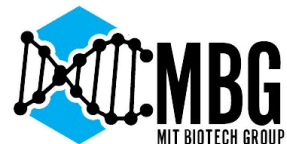

Seminar Series

Open Problems Venture Development

5AM

RACAPITAL

COWEN

Undergraduate Initiative

Mission: *Expose MIT undergraduates to the biotech industry and cutting-edge research through hands-on learning & networking*

01	Undergraduate Education	• Coordinate with industry professionals to launch an in-person seminar series. → Basics of Biotech Seminar Series
02	Big Events & Collaborations	• Collaborate with other MIT departments/clubs to host large networking/social events. → UROP/ELO Mixer, Intra-club mixers
03	Professional Development	• Organize site visits and intra-initiative PD events to create community and develop key biotech skills; tentative/new faculty lunches/dinners

Site visit at *Lilly*

Fall/Spring UROP Mixer

Undergrad Seminar Series

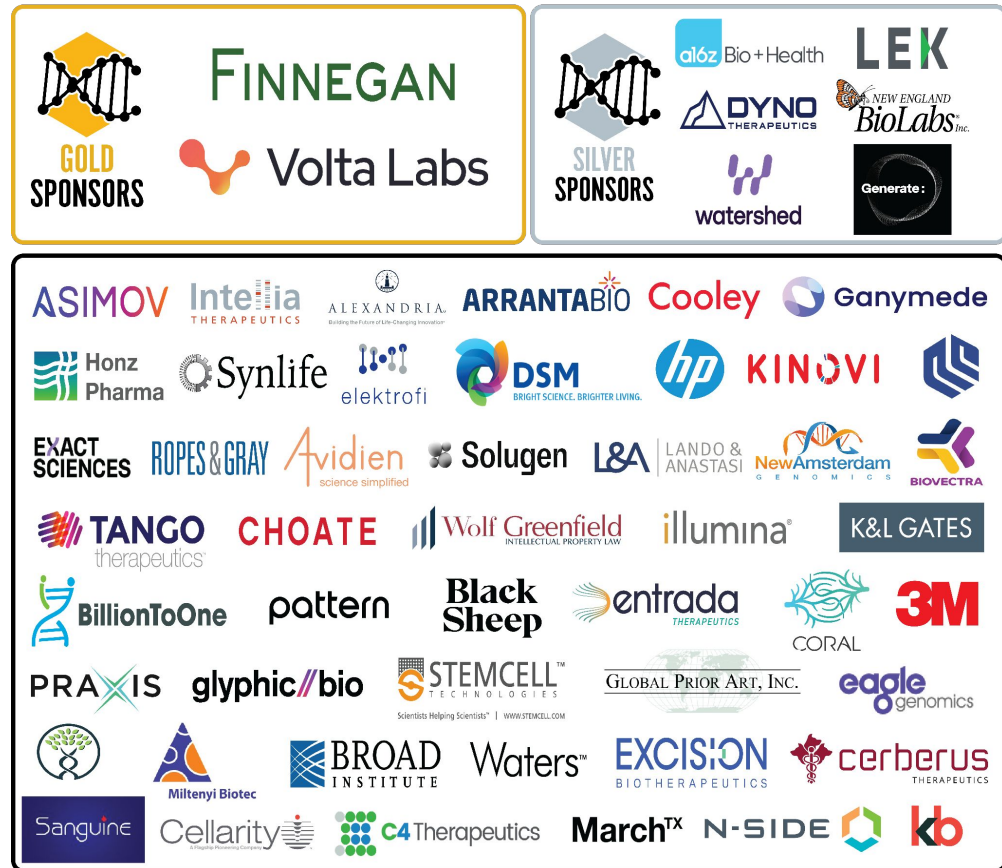

MBG Career Fair

In-person biotech-focused career fair with 50+ companies in
2023-2024 (more details in the Spring!)
