

## **TWO DAY WORKSHOP ON LAMP / WAMP**

**28-29 April 2008**

**Department of Library and  
Information Science  
&  
University Computer Centre  
Manasagangotri,  
Mysore - 570 006**

**Venue: University  
Computer Centre**

### About the Workshop

In the world of information science, with the advent of IT in the education sector, it is the need of the hour to know the information technologies. So in this context we propose to introduce in the library professionals the new technologies with open source environment. These new technologies we refer to as LAMP (Linux, Apache, MySQL and PHP) / WAMP ( Windows, Apache, MySQL and PHP). In this workshop hands on experience with adequate theory on all the above components of web technologies will be dealt with.

#### Resource persons:

Experts from the University Computer Centre will handle both theory and practical classes.

#### Participants:

Library and Information professionals. Information Managers, Information Scientists, teachers of Library and Information Science can participate in the work shop. .

#### Registration Fee :

A registration fee of Rs. 2000/- (two thousand only). This includes, course material, working lunch and tea.

#### Accomodation:

Accomodation at a nominal cost could be arranged for a limited number of participants on first come first serve basis at the University Guest House.
