Earth, Atmospheric and Planetary Sciences

FROM: Professor Ronald G. Prinn

DATE: March 25, 2009

SUBJECT: Invitation to the Henry W. Kendall Memorial Lecture and Reception

Dear Colleague:

The Center for Global Change Science, the Department of Earth, Atmospheric and Planetary Sciences (EAPS), and the Department of Civil and Environmental Engineering (CEE) at the Massachusetts Institute of Technology, cordially invites you to attend the Ninth Annual Henry W. Kendall Memorial Lecture entitled:

**“Global Climate Change:
A Paleoclimate Perspective from the
World’s Highest Mountains”**

Presented by Professor Lonnie Thompson
University Distinguished Professor, School of Earth Sciences
Senior Research Scientist, Byrd Polar Research Center

The lecture will be given on **Friday, May 1, 2009 at 4:00 p.m.** in the Kirsch Auditorium, Ray and Maria Stata Center, Building 32, Room 123.

A reception will held immediately following the lecture in the Ida M. Green Room, Building 54, Room 923, 9th floor. All are cordially invited.
