friday. *november 3.06*

- ▶ **get oriented** *8:30am-10:00am*
Learn what it takes to be a career professional.
- ▶ **get prepared** *10:00am-12:00pm*
Students will participate in workshops that are essential for their professional growth – professional dress, office behavior; networking, dining etiquette, and image management.
- ▶ **get inspired** *12:30pm-3:00pm*
Ask questions and learn vital information about companies in Boston – their culture, career tracks, opportunities, and open positions. Also, begin creating relationships with corporate representatives.

saturday. *november 4.06*

- ▶ **get connected** *8:30am-12:00pm*
Meet representatives from Greater Boston employers and build pivotal business relationships. We encourage you to bring copies of your resume and to dress in business attire.
- ▶ **get informed** *11:00am-12:00pm*
Students will hear from corporate representatives about the company they represent.

about

The Partnership's College to Career Program provides students with the support they need to meet Boston based employers and to make a successful transition from a college student to a career professional. In addition, students build relationships with successful professionals of color and learn how to use leadership strategies for a positive contribution in the workplace and in their community.
