

"I'm not a feminist, but..."

"...I wish there were more women in my department"

"...I believe women and men should receive equal pay"

"...I want to be recognized for my ideas regardless of my gender, sexuality, race, or class"

Conversations on Modern Feminism

With a Scientist, an Activist, & a Lawyer

Come discuss how feminism is relevant to the MIT community. You might be surprised how much you can relate to these modern feminist voices!
