

800+ Consultants | 500+ PhDs | 50+ MIT Alumni

Exponent Lunch & Learn: Join us for a discussion and networking session with MIT Alumni, Dr. Lindsey Gilman. Dr. Gilman will talk about her transition from graduate school, career progression, and the day-to-day work of a technical consultant. She will also be available to answer questions from graduate students interested in careers in industry. **Lunch will be provided.**

Lindsey Gilman, Ph.D., P.E. – Managing Engineer – Thermal Sciences

Ph.D., Nuclear Science and Engineering, MIT, 2014

M.S., Nuclear Science and Engineering, MIT, 2012

B.S., Chemistry, Valparaiso University, 2010

Friday, April 5th | 12p.m. - 1p.m. | Room 2-142
