

From Lab to Impact: Broadening Participation Summit

April 24 + 25, 2023 | Massachusetts Institute of Technology

Advancing Diversity, Equity & Inclusion for University Researchers Across the Northeast

Learn how you can:

- Get your discoveries and inventions from the lab to the market
- Expand your research and career opportunities
- Engage with the innovation ecosystem

Hear directly from faculty, graduate students and postdocs who will share their experiences and insights.

Monday, April 24
4:00pm – 8:00pm Reception & Dinner

Tuesday, April 25
8:00 am - 4:00 pm Summit

Who should attend: Faculty, graduate students and postdocs that identify as a member of a group underrepresented in STEM (particularly women and/or BIPOC) and are located in the Northeast region of the US are encouraged to request an invitation.
