Upcoming Smithsonian Institution Fellowship and Internship Opportunities

- ❖ Predoctoral and postdoctoral fellowships – **The deadline for applications is December 1st.** For a description and instructions, see <http://www.smithsonianofi.com/fellowship-opportunities/smithsonian-institution-fellowship-program/>. Students at Big Ten universities applying through this program will also be considered for a related program.
- ❖ A variety of fellowships for the study of invention and innovation sponsored by the Lemelson Center at the National Museum of American History. These are described at <http://invention.si.edu/study/research-opportunities>. Deadlines vary, an upcoming deadline is **December 1st**. Contact Eric Hintz (hintze@si.edu) for more information.
- ❖ Fellowships for use of the collections of the Smithsonian's Dibner and Cullman Libraries. These are described at <http://www.smithsonianofi.com/fellowship-opportunities/> under SI Libraries. The SI Libraries has a separate application process for its fellowships, and different deadlines. Contact Lilla Vekerdy (vekerdy@si.edu) for more information.
- ❖ The Smithsonian also welcomes interns (mostly unpaid undergraduates). For information about this program, see <http://americanhistory.si.edu/getinvolved/internship>. The deadline for summer internships is March 1, that for fall internships July 1. Contact Omar Eaton-Martínez (eatonmo@si.edu) for more information.
- ❖ 5. The National Air and Space Museum also has a number of fellowships for historical work there. For information, see <https://airandspace.si.edu/support/get-involved/fellowships>.
