RE: Linden Gate Condominium
25 Linden Ave

Dear Owner/Resident,

It has come to our attention that a resident at Linden Gate Condominiums has been disposing of paper towels down the drain. Last week we had a backup on the first floor caused by excessive amounts of paper towels blocking the main drain from flowing properly.

Please be aware that only toilet paper should be flushed down the toilet. Feminine products and paper towels should never be thrown down in the toilet as they create blockages and will cause a backup in the drainage system.

Should you have any questions feel free to contact my office at your convenience.

Sincerely Yours,
