

The faculty of economics and management at the **Sino-German School of Post-Graduate Studies (CDHK – Chinesisch-Deutsches Hochschulkolleg) at Tongji University** is looking for a candidate to fill the professorship of the

## **BOSCH-Chair of Global Supply Chain Management.**

The Sino-German School of Post-Graduate Studies was initiated by the German and Chinese government and is a joint project of the German Academic Exchange Service (DAAD), Tongji University and the German economy.

The holder of the position is expected to have the necessary credentials in the area of “Global Supply Chain Management” (purchasing and logistics) so that he/she can successfully represent this field in teaching and research. Willingness to cooperate with the founder and other faculties is required. A commitment to executive education is also expected.

The holder of the position will assume the corresponding teaching obligations within the management oriented master’s degree study program of the CDHK with the focus on “Global Supply Chain Management”.

The conditions of employment are:

- Completed degree at a university-level academic institution
- PhD at an internationally accepted university-level academic institution
- Educational skills
- Practical experience from activities at enterprises in industry or trade or in commercial research and consulting

Applicants with excellent knowledge of Chinese and German language and culture are preferred.

The conditions of employment will be discussed after the appointment by the scientific commission of the CDHK and specified in cooperation with the committees of Tongji University.

Applications in German or English, including the customary documents (CV, copies of certificates and diplomas, list of publications) should be sent – initially electronically as an email attachment (pdf) – by the 15<sup>th</sup> of January 2014 to:
