

# MAINE MARITIME ACADEMY

## A College of Engineering, Management, Science and Transportation

Maine Maritime Academy is a co-educational, public college on the coast of Maine offering 18 degree programs in engineering, management, science, and transportation. Founded in 1941 as an exclusively regimental program, the college has diversified and grown significantly over the years, and now serves approximately 950 undergraduate and graduate students in career-oriented programs of study that are both regimented and non-regimented. Our dedicated faculty and staff number approximately 150. Maine Maritime Academy was ranked the #1 Best Public College, #4 College That Adds the Most Value, and #12 overall on [\*Money magazine's Best Colleges list\*](#) released in August of 2014. The college's persistence, retention and graduation rates are well above national averages, and the job placement rate for MMA graduates is in excess of 90 percent within 90 days of graduation. For more information, visit [mainemaritime.edu](http://mainemaritime.edu).
