29th NOFOMA Conference 8 - 9 June 2017

Educator's Day & NordLog - 7 June 2016

Lund University, Faculty of Engineering (LTH)
Divisions of Engineering Logistics & Packaging Logistics

"Taking on Grand Challenges"

About

The Nordic Logistics Research Network (NOFOMA) is a network of Nordic researchers within the field of Logistics and Supply Chain Management. The NOFOMA conference is a meeting place for logistics researchers from all over the world.

NORDLOG is a doctoral day preceding the conference and an Educator's Day will also be arranged on that day (7 June).

This is the call for papers for the NOFOMA conference.

Venue

The 29th annual NOFOMA Conference on 8 - 9 June 2017 will be hosted by Faculty of Engineering at the Lund University (LU), Sweden. It will take place at Palaestra et Odeum which is located on University Square and next to the main building of the University, in the center of Lund. Several hotels and the central Railway Station are located within 3 - 5 minutes' walking distance.

Call for Papers

The NOFOMA conference comprises three main parts: the NORDLOG doctoral day, the Educator's Day and the main conference. A particular theme of the NOFOMA 2017 conference is *"Taking on Grand Challenges"*.

Papers are invited dealing with, but not limited to, the following topics:

- Methods in logistics/SCM research
- Logistics/SCM globalization issues
- Supply chain organization and design
- Operations management and production logistics
- Purchasing and supply management
- Transport and distribution
- Logistics services and third/fourth party logistics
- Packaging logistics
- Warehousing & materials management
- Out/Insourcing, Off/Nearshoring
- Supply chain risk management
- Sustainable supply chain management
- Reversed logistics/closed-loop logistics
- Trade and transport facilitation issues
- Logistics/SCM performance measurement
- Logistics/SC modelling and simulation
- Logistics/SC change management
- Logistics/SC innovation
- Service & healthcare logistics
- Retail & e-tail logistics
- Humanitarian logistics
- Defence logistics
- City logistics
- Grand SC Challenge

NORDLOG

The NORDLOG doctoral day (7 June) is an inspirational full-day for PhD-students to share experiences, learn from some senior researchers, and network with future colleagues.

Educator's Day

The Educator's Day is back (7 June), being a half day for teachers within logistics / SCM to network, share experiences and inspire each other. It includes a plenary session as well as specialized workshops.

Getting to and from Lund

The closest international airport to Lund is Copenhagen Airport (also known as "Kastrup"), in Denmark. The journey time by train from the airport to Lund is about 35 minutes. The journey takes you over the Öresund Bridge connecting Denmark to Sweden and via Malmö central station where you may need to change trains.

The closest local airport to Lund is Malmö Sturup. It has some international flights from destinations within Europe and flights from other Swedish airports including Stockholm. There are bus connections to Sturup airport ('flygbus') or you can get a taxi to Lund.
