

ASSISTANT or ASSOCIATE PROFESSOR OF SUPPLY CHAIN MANAGEMENT

Portland State University
School of Business
<http://www.pdx.edu/sba>

The School of Business seeks exceptional candidates for a tenure track Assistant or Associate position in supply chain management beginning Fall 2019. The ideal candidate should have (1) an earned doctorate in business or related field with an emphasis in supply chain management from a nationally-accredited institution (advanced ABD candidates will be considered but must have their doctorate completed by August 30, 2019); (2) evidence or promise of a strong and innovative program of research in relevant areas of supply chain management; (3) demonstration of recent teaching excellence in supply chain and operations management courses; and (4) a strong and continuing commitment to both research and teaching. Demonstrated interest in areas such as: social and environmental sustainability, omni-channel supply chain management, behavioral supply chain management, data analytics or block chain integration, consistent with the School's initiatives and that complement our faculty's research portfolio, will be viewed as a plus.

The School's active involvement with the region's industry partners and strong entrepreneurial community provides faculty ample research opportunities. We offer a stimulating, collegial environment that values a diversity of research approaches and topics, and supports research efforts through the provision of graduate assistantships, travel funds, summer support, and a teaching load conducive to effective scholarship. Our supply chain management faculty have published in flagship journals including the *Journal of Supply Chain Management*, *Production and Operations Management*, *Decision Sciences*, and the *Journal of Operations Management* among others.

The School of Business has a new state-of-the-art LEED Platinum building. The School is AACSB-accredited, has a strong commitment to both research and teaching, and serves over 3,700 students. The School was recently ranked by the Princeton Review as "one of the best universities to major in business and for several years, including 2018, Portland State University was ranked by *U.S. News and World Report* in the top 20 "Most Innovative" universities in the nation. The university is dispersed over 50 acres of greenspace amidst the cultural and business center of downtown Portland. Portland is a thriving city of natural beauty considered to be a model for livability, environmental stewardship, and new urbanism principles. Portland is consistently ranked as one of the "Best Places to Live" in the U.S., and is located within a 90-minute drive of mountains and the Oregon coast.
