

**The University of Texas at San Antonio**  
**Department of Management Science and Statistics**  
*Tenure-Track Position in Supply Chain & Operational Analytics*  
*at the rank of Assistant Professor*

The Department of Management Science and Statistics in the College of Business at The University of Texas at San Antonio (UTSA) invites applicants for a tenure-track **Assistant Professor** position in Operations/Supply Chain Management and Business Analytics, beginning Fall 2020. Responsibilities include conducting research in Operations/Supply Chain Management and Business Analytics and teaching undergraduate, master's and/or Ph.D. courses. The successful candidate should demonstrate the potential to produce high-quality scholarly research that can be published in top-tiered journals in Operations/Supply Chain Management and Business Analytics, and the ability to teach courses in Operations/Supply Chain Management as well as general Business Analytics courses.

**Qualifications**

*Required Qualifications:*

- (1) An earned (or expected by the fall semester of 2020) Ph.D. in Operations / Supply Chain Management, Management Science, Business Analytics, or a closely-related area from an accredited university.
- (2) Strong potential for engaging in high-quality research in Operations / Supply Chain Management and Business Analytics and publication in high-quality journals; good potential for getting external funding for research projects.
- (3) A demonstrated ability to teach effectively at the undergraduate, master's and Ph.D. levels in the areas of Operations / Supply Chain Management and Business Analytics.
- (4) Strong verbal and written communication skills.
- (5) The ability and desire to work collegially with faculty and students from diverse cultural backgrounds, especially with historically-underrepresented students, including students of color.
- (6) The ability to work with and be sensitive to the educational needs of diverse urban populations and support the university's commitment to thrive as a Hispanic Serving Institution and a model for student success.

*Preferred Qualifications:* Prior experience teaching and mentoring students from diverse cultural backgrounds.

### **The UTSA College of Business, UTSA and San Antonio**

With over 6,700 students, the UTSA College of Business is one of the 40 largest business schools in the nation and offers a comprehensive curriculum at the undergraduate, master's and doctoral levels. Accredited by AACSB International, the college was named one of the Top 5 undergraduate business programs in Texas by *Bloomberg Businessweek*. At the graduate level, the college was ranked the No. 4 Hispanic Serving part-time MBA program in Texas by *U.S. News & World Report*. UTSA is a comprehensive urban serving university that serves approximately 32,000 students on four campuses in San Antonio. UTSA has the express goal of becoming a premier public research university. It is located at the edge of the scenic Texas Hill Country and offers the amenities of a major multicultural, metropolitan area. Ranked as the 7th-largest city with a population of over 1.5 million and one of the fastest-growing cities in the country, San Antonio is within a few hours' drive to Austin, Dallas, Houston, the Gulf of Mexico and the Mexican border. Major industries include healthcare and biosciences, finance, tourism, military and cyber security.

### **Salary and Benefits**

Salary and benefits are competitive and commensurate with qualifications and experience. UTSA offers an attractive package of benefits including medical and dental coverage plus a choice of participation in the Teacher Retirement System or an Optional Retirement Plan.

### **Application Procedure**

Applicants should submit a letter of application, a CV providing information about the date and field of their academic degree(s) and citizenship or visa status, a statement of research and teaching which includes discussion on the role diversity and inclusion plays in an academic environment, evidence of research (publications or working papers), evidence of teaching accomplishments, and the names of three references along with their addresses, email contact information and telephone numbers.

**Applicants must submit their full application package via the STARS program which is located at <https://jobs.utsa.edu/> under the position title "Assistant Professor Position in Supply Chain & Operational Analytics."**

Applications will be accepted until the position is filled. However, to ensure full consideration please submit your materials no later than November 15, 2019. Search committee members plan to attend the upcoming Decision Sciences Institute 50<sup>th</sup> Annual Conference held at New Orleans, LA, on November 23-25, 2019. Applicants who are selected for on-campus interviews must be able to show proof that they will be eligible and qualified to work in the United States by the time of hire.

UTSA is an Affirmative Action/Equal Employment Opportunity Employer. Women, minorities, veterans and individuals with disabilities are encouraged to apply.
