

Clinical Logistics Faculty Position
Department of Marketing and Logistics
Fisher College of Business
The Ohio State University

The Fisher College of Business at The Ohio State University invites applications for a Clinical-track faculty position (open-rank) in the Department of Marketing and Logistics. The position is contingent on funding and university approval. We seek candidates with expertise in teaching a variety of logistics courses, specifically at the MBA-level. This position will be a part of the academic faculty who will work with distinguished faculty who perform teaching and service to this area.

Minimum requirements for the position are a PhD in business and/or related field. Ideal candidates should have **a record of excellent teaching logistics at a top-ranked business school, a strong record of service and outreach with the business community, significant prior interaction with business firms, an ability to teach multiple courses, and/or a record of pedagogical innovation.** Principal tasks will include curriculum/syllabus design, content and materials development, teaching, and service activities. The selected candidate(s) will be expected to complete activities and support for developing and teaching undergraduate and graduate students. The salary is competitive with leading research universities.

Interested applicants must apply via WorkDay at [R110083](#) and can also send their vita to fcob-mktrecruit@osu.edu. Applicants should include a cover letter, two letters of recommendation, and curriculum vitae. Only Individuals who are chosen as top candidates will be contacted for an interview. Applications and recommendations should be received **by September 30, 2024, or until the position is filled.**
