

ICIL 2027

17th EDITION OF THE BIENNIAL INTERNATIONAL CONFERENCE OF INDUSTRIAL LOGISTICS

Managing Industrial Logistics in the Digital Age

9 – 12 JUNE 2027 BOLOGNA

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

ICIIL

The 17th Biennial International Conference on Industrial Logistics (ICIL 2027) will take place in Bologna, Italy, from June 9th to June 12th, 2027, hosted for the first time in Italy by the Department of Industrial Engineering, Alma Mater Studiorum – University of Bologna in partnership with the International Centre for Innovation and Industrial Logistics (ICIIL).

The conference welcomes researchers, practitioners, scientists, academics and industrial managers providing a multidisciplinary forum for the presentation and discussion of original research findings, conceptual developments, innovative ideas, and real-world case histories contributing to the challenging fields of logistics and supply chain management.

The ICIL 2027 programme is designed to advance scholarly and practical understanding of contemporary challenges in industrial logistics and to support the development of effective solutions to the evolving demands of global logistics systems.

Key Conference Topics

- Industrial Logistics and Supply Chain Management in the Digital Era;
- Logistic Network Design and Optimization with Advanced Analytics and Intelligent Methods;
- Sustainable, Circular, Reverse and Green Logistics, Enabled by Digital Technologies;
- Resilient, Risk-Aware, and Adaptive Supply Chains;
- Digital Transformation and Emerging Technologies in Industrial Logistics;
- Advanced AI for Logistics: Agentic AI, Large Language Models, Federated Learning, and Hybrid Intelligence;
- Smart Manufacturing, Cyber-Physical Systems, and AI-Integrated Logistics;
- Human-Centered, Organizational, and Governance Aspects of Logistics Systems;
- Warehousing and Storage Systems, fueled by Automation and Data-Driven Technologies.

Conference Chairs
Prof. Marco Bortolini
Dr. Francesco Gabriele Galizia
Dr. Matteo Gabellini

Abstract deadline
December 4th, 2026
