

**Women Entrepreneurs  
in Science and Technology**

## **“Alternative Careers for Scientists”**

### **Panel Discussion Event**

*Thursday, June 18, 2009*

**6:00 p.m. - 9:00 p.m.**

Five women discuss how to break into and thrive in careers outside of academia. This program is designed for men and women at all stages of their careers who want more information and inspiration about their options. Panelists will share their experience, provide insider information, and answer questions about a variety of careers including: business development, patent law, communications, consulting, financial services, project management, and technology transfer.

#### **Panelists:**

- **Angela Bassa**, senior consultant at Kerdan Group
- **Cathy Lenich, PhD**, technology transfer at Beth Israel Deaconess Medical Center
- **Emily Walsh, PhD**, program manager at Alnylam Pharmaceuticals
- **Kellie Watson, PhD**, former VP of business development at Epitech Biosystems
- **Doreen Hogle (Moderator)**, patent attorney at Hamilton Brook Smith Reynolds

**New!** *In addition to five panelists, there will also be a number of 'One-Night Mentors' attending - senior level women available during the networking to answer your questions about careers!*

**Location:** Broad Institute, 7 Cambridge Center, Cambridge MA  
(Corner of Main St. and Ames St., Near Kendall Square T stop)

**Advance Registration** (by 6pm Tues. June 16):

**\$20** PostDocs/Students; **\$25** Members, **\$30** Non-Members

**\$10** additional at the door.

*Refreshments are provided.*
