

Career Development Workshop

CV Writing

Presented by Bob Dolan
MIT Global Education & Career Development

Your CV is used for the academic job search and in some cases for PhD's seeking positions in industry or other research settings. This workshop will cover the important elements of a CV, including strategies for how to showcase your particular knowledge and experiences effectively. We will also discuss how to convert a 4-6 page CV into a 2-page resume for industry.

Wednesday, July 23, 12:00-1:00 PM

Yellowstone Room • Broad Institute, 75 Ames St.

MIT Postdocs please show your MIT ID at the front desk to enter the building

Open to all ▪ No registration required ▪ Lunch will be served
