Bringing important medicines and vaccines to people around the world through innovative science is what we do. At Merck, we strive to improve human life, achieve scientific excellence, operate with the highest standards of integrity, expand access to our products and employ a diverse workforce that values collaboration.

Developing Talent, Harnessing Innovation, Building for the Future

Our Postdoctoral Research Fellow Program builds on our legacy of scientific excellence and innovation.

If you join us, you'll be a part of a team of motivated scientists working to discover and develop medicines and vaccines that help meet the world's unmet medical needs. You will work alongside outstanding researchers and collaborators as part of Merck's industry-leading research and development organization. Our postdocs:

- Work in unique laboratory environments with top capabilities, equipment, expertise and knowledge
- Obtain experience in drug discovery and development
- Generate innovative science resulting in high-quality external publications
- Participate in seminars, lectures and meetings, and have the opportunity to interact with the local scientific community
- Are positioned for choice careers in pharma, biotechnology, or academia

As a postdoc, you will receive a competitive salary and access to the full benefits programs offered by Merck.

At Merck, our passion is improving health. This is what keeps us at the forefront of scientific discovery and innovation. We invite you to apply.
