

**11/19- 6:00 pm @32-155**

## **Immigration Law**

### **Workshop: a Focus on Startups**

*Are you an international student working on a startup? Would you like to know more about visa and immigration options that could allow you to work on your venture?*

Join the European student societies at MIT in this workshop! We have invited Boston's best law firms to share tips and insights on immigration law for startup co-founders.

Food and desserts from Boston's North End will be provided.
