Mentor to Mentee Match

Present your biosketch and career goals to a team of Mentors, and receive personalized feedback.

Shark Tank Panel

Present your research ideas to a panel of four cross-institutional Mentors. Each mentor will provide supportive feedback to the appeal of the idea and how to obtain the necessary funding.

K and R Grant Panel—Presentations by recent K and R grant recipients

- *what they did right and mistakes made, and when they thought they were ready for K*
- *successful navigation in the K-to-R transition*
- *time management on the K to prepare for R submission*

Registration is required.
