You could be awarded \$60,000
for research in a STEM field.

L'Oréal-UNESCO's For Women in Science program has recognized more than 2,200 women scientists in over 100 countries since the program began in 1998. We're seeking five exceptional female scientists in the United States looking to advance their research and serve as role models for the next generation of girls in STEM.

Candidates must have completed their PhD and have started postdoctoral research by December 31, 2015. Must be a U.S. citizen or permanent resident to apply. **Applications due February 5, 2016.**
