

## EXPERIENCE THE QUEST

Ready to break out of prison, compete on a trivia game show, dance, and explore a haunted house?

Whether you're looking for an all-day adventure or a few hours of fun, Boda Borg is an experience unlike any other. Each of our many Quests creates an exhilarating environment of unfamiliar challenges that you and your group will solve in teams of 3-5 people. You'll explore, experiment, collaborate, climb and crawl, discovering new skills and new ways to work together.

You will also fail – often – but with each failure you'll come closer to ultimate success. We have Quests for all levels of physical ability so everyone can participate. You'll need to work together and think creatively in order to succeed. Our facility includes private conference rooms for small or medium-sized groups and restaurant seating for 130+. "IT'S NOT JUST CLIMBING,  
WE HAD TO SPOT CLUES."

## ENTER THE WORLD OF QUESTING

Each Boda Borg Quest challenges teams of 3-5 people with unique problems in real space. Quests are fast-paced, timed, and failure is almost guaranteed. Quests are color-coded – Green, Red and Black offer increasing levels of physicality. Choose the Quests that best fit your interests and abilities...or choose them all!

Your team will be alone in each challenge, creating an exhilarating environment to explore and experiment together. Collaboration is required, and creative thinking and problem-solving skills are essential.

Are you ready to break out of prison, or explore a haunted house? Maybe you'd prefer the quiet of a farm, or the excitement of a pirate ship. Perhaps an obstacle course is more your style? Boda Borg offers all this... and more!

## TEAM

Consists of 3-5 people. If you have a larger group you'll Quest in separate teams. You can mix up the teams at any point during your visit or compete to see which team conquers the most Quests!

Teams with different abilities often do very well at Boda Borg. Athletes & poets, kids & adults; all mixes work at Boda Borg, as each person brings their own strengths to the challenges.

## WHO CAN QUEST

Anyone! No special clothing or equipment is required, but you might want to leave the suits and heels at home.

## TWO HOURS...OR AS LONG AS YOU LIKE

Our Quests are yours to explore in any way you choose. You have access to all of our Quests and you can attempt them as often as you like and in any order you want. When you fail a challenge you will exit that Quest and find yourself back in our maze of Quest corridors. Will you jump to a new Quest or go back to the beginning of the one you just tried? It's all up to you.

Boda Borg offers an experience unlike any other. We can't wait for you to become a part of it.
